

NETWOVEN MAKES INC. 5000 LIST OF AMERICA'S FASTEST-GROWING PRIVATE COMPANIES

***Enterprise Information Management Innovations and Extraordinary Customer Service
Help Company Grow 125 Percent***

MILPITAS, CA – August 27, 2015 -- [Netwoven Inc.](#), announced today that *Inc.* magazine ranked the company #2858 on its 34th annual Inc. 5000, an exclusive ranking of the nation's fastest-growing private companies. Netwoven was selected to this year's prestigious list due to the company's three-year sales growth rate of 125 percent and above average customer service. Complete results of the Inc. 5000 can be found at www.inc.com/inc5000.

"The story of this year's Inc. 5000 is the story of great leadership. In an incredibly competitive business landscape, it takes something extraordinary to take your company to the top," says Inc. President and Editor-In-Chief Eric Schurenberg. "You have to remember that the average company on the Inc. 5000 grew nearly six-fold since 2012. Business owners don't achieve that kind of success by accident."

The 2015 Inc. 5000 is the most competitive crop in the list's history, with the average company listed achieving a three-year growth of 490%. The Inc. 5000's aggregate revenue is \$205 billion, generating 647,000 jobs over the past three years.

"We are humbled that our business model has resulted in Netwoven receiving this distinct honor," said Niraj Tenany, President and CEO of Netwoven. "Being included within this prestigious list is a true testament that our solutions continue to help enterprise customers unlock the hidden value of their information assets."
